Market Additional Considerations

A **market** is a type of prearranged recurring event held within the City on private or public land, either indoor or outdoor by an event organiser, supporting a mix of different trading or stallholder activities including a variety of entertainment, recreation, commercial or community activities.

Markets will need to demonstrate that they:

1. Contribute to Kwinana as a vibrant destination;
2. Incorporate local business(es) and allow them to take an active role in the event.
3. Create interesting and diverse activities to encourage people to stay longer in Kwinana;
4. Engage, include and connect a range of people in our community including the City of Kwinana, providing diverse opportunities for engagement and participation; and
5. Minimise community impact, and maximise economic and community benefit.

Please address in detail the above-mentioned criteria.

Food Truck Event Additional Considerations

Public Building Forms

The overarching legislation for event regulation in WA is governed by the **Health (Miscellaneous Provisions) Act 1911** and **Health (Public Buildings) Regulations 1992**. Under this legislation, the "public building" is a prearranged gathering of people for educational, entertainment, recreational and sporting purposes (regardless of whether the event will occur indoors or outdoors).

There are two prescribed forms that are required to be completed by legislation to allow events to proceed - Form 1 and Form 2.

A Certificate of Approval is the formal event approval that is issued to address public health and safety issues.

You are not required to complete these forms if you are hiring a City of Kwinana building or indoor facility available on Space to Co (with a public building Certificate of Approval approved for multipurpose or hall use).

Application

The overarching legislation for event regulation in WA is governed by the **Health (Miscellaneous Provisions) Act 1911** and **Health (Public Buildings) Regulations 1992**. Under this legislation, the "public building" is a prearranged gathering of people for educational, entertainment, recreational and sporting purposes (regardless of whether the event will occur indoors or outdoors).

There are two prescribed forms that are required to be completed by legislation to allow events to proceed - Form 1 and Form 2.

A Certificate of Approval is the formal event approval that is issued to address public health and safety issues.

Declaration

This section must be completed by an appropriately authorised person on behalf of the applicant organisation.

I certify that to the best of my knowledge the statements made within this application are true and correct.

I will ensure that appropriate liability and other insurances are in place for the activities to be conducted.

I understand that the requirements specified in this event application form are indicative only and non-exhaustive.

I understand that this event application does not constitute event approval.

Where the event is held in an outdoor public place, I understand that this event application also serves as:

- 1) An application under Section 176 of the Health (Miscellaneous Provisions) Act 1911 and Regulation 4 of the Health (Public Buildings) Regulations 1992 to construct alter or extend a public building (Form 1);
- 2) An application for a certificate of approval under Regulation 5 of the Health (Public Buildings) Regulations 1992 (Form 2); and/or
- 3) An application for a trader's and stallholder's permit pursuant to Clause 7.1(2) of the City's Activities in Thoroughfares and Public Places and Trading Local Law 2011.

I agree to indemnify the City, the Council and its employees harmless from and against all damages, sums of money, costs, charges, expenses, actions, claims and demands, which may be sustained or suffered or recovered or made against the Council by any person for any loss of life or injury or damage any person may sustain as a result of and during the conduct of the event.
